

- PSU has excelled on social mobility

- 🖐️ high potential students in unprivileged groups ★ hard to get in colleges

- 👍 PSU provides them access to high EDU

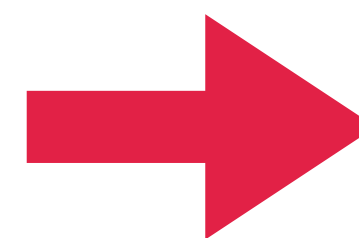

- **Limitation:** are we really helping them achieve full potential?

- ★ Students are happy (jobs they didn't think possible)

- But we just help them become ◆ while they could be ★ [high-potential privileged students e.g., ivy-league "elites"]  
[Avg. privileged students]

- **Re-imagining the mindset?**

"I did what I didn't think I can"

"I can see/achieve my real full potential"
